

# Eclipse

## Health, reimagined

Sustainably creating highly functional, bioactive ingredients from yeast.

Our high-value, functionally superior ingredients scale easily and can be added to food, drinks, supplements, personal care products and more.

As Australia's national science agency, CSIRO is solving the greatest challenges through innovative science and technology.

CSIRO. Creating a better future for everyone.

## Our first nutrient: Lactoferrin

Eclipse is on a mission to sustainably improve access to Lactoferrin – a crucial nutrient found in human breast milk, known for its immune-boosting, iron-binding, and anti-microbial properties.
